

BAKUBA PILLOWS | CRAFTED IN HOUSE

**DESCRIPTION**

Bakuba Cloth is is handmade from raffia palm fronds in the Democratic Republic of Congo. Each piece is designed with symbolic significance, seen in the pattern and texture of the cloth. For a refined, modern flair, the pillows are backed with organically-dyed pure yellow silk cloth and constructed with high quality hypo-allergenic filling. In a variety of sizes and shapes, these pillows make excellent bed throws, floor poufs, and statement pieces for furniture.
